

Image consent form template

To comply with the Data Protection Act 2018, we need your permission before we can photograph or make any recordings of your child. We may take photographs for several reasons whilst your child is with us:

- To document what they enjoy doing;
- To upload to Tapestry Online Learning Journal to record their learning and development and to share this with you;
- To include in newsletters and displays;
- To record special events and achievements;
- Any other reasons you might take photos of the children in your setting

We use Tapestry as our online learning journal provider. We will use this to send you observations of your child which might include photos and videos. If you give your permission in the form below, you will be able to see group observations which might include photos and videos with other children in and consequently, other relatives might be able to view photos and videos of your child.
